Course Descriptions:

After School Hoops 1-3

This is a fun class of afternoon basketball for aspiring young players. The one hour of instruction combines fundamental skills building with organized team competition and a goal of providing an enjoyable and educational after school athletic event. Boys and girls of all skill levels are encouraged to join. We will study passing, dribbling, shooting, rebounding and defending, while, at the same time, learning how to work as a team. Students will become better basketball players and learn the habits necessary to succeed both on and off the court.

Instructor: One On One Basketball, LLC

Hip Hop Dance 1-2

It's no secret; children LOVE to dance. Easily our most popular curriculum to date, our students faces light up with determination and delight as they step and shake through the intricacies of their new routine. With our curriculum limited only to the imagination of our instructors, this program shimmies beyond the realm of predictability.

Instructor: Carol Romo -Theaterfun.com

Video Game Design 1-5

Kids work in groups to develop, debug and distribute their own 2D games. Using special software, students create their own games without having to learn actual programming. They can also put their own music, video, animations, and photos into their games with a simple click. Don't just play game- play your own game!

Instructor: Freshi Films LLC is an innovational educational company delivering unique after school programs created by leading educators and media professionals who have both the passion and training to work with kids. Freshi believes that when students share their individual voices they change lives and the world.

First Steps to French Grades 3-5

Learn the language of Molière! Sing, play and talk your way to a better grasp of the fundamentals of French vocabulary and common phrases. We encourage students from all backgrounds in French experience to join us. À très bientôt!

Instructor: Kyle Heckler: After a brief stop outside the Big Apple, Kyle made his way West to share his passion for teaching and the French language. A Rutgers University graduate, he spent a year teaching English in public schools near Aurillac, France.
