

COVID-19 UPDATES AND SAFETY INFORMATION

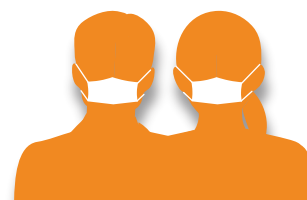

WHAT WE'RE DOING

LGS Recreation is dedicated to constantly evaluating our practices with the most up to date information regarding COVID19. Our aim is to keep our families and staff as safe and healthy as possible as we welcome the community back into our facilities. Procedures will be modified and updated as guidelines continue to evolve. Please review the following and we ask for our entire community to assist us in maintaining the overall health of everyone.

Self-Check Procedures & Health Reviews

Staff and participants self-certify health screening prior to program participation. Contactless Self Check-in and Contactless Payment implemented.

Facemasks

Order of the Health Officer of the County of Santa Clara requiring use of face coverings indoors by all persons.

Enhanced Cleaning

Rigorous cleaning procedures recommended by the CDC.

Protective Supplies

Agency staff are provided with masks, gloves, sanitizers, and additional Personal Protective Equipment (PPE).

Best Practices

Adhering to guidelines recommended by Santa Clara County Public Health Department, CDC, Community Care Licensing Division (CCLD) within the California Department of Social Services, National Association for the Education of Youth Children (NAEYC), American Academy of Pediatrics, National Recreation and Park Association (NRPA), California Park & Recreation Society (CPRS), and more.
